

EB3 Unskilled (Other) Workers – General

Law Office of Stephen Pidgeon (Everett, Washington) present an opportunity for workers from Ukraine, Belarus, Russia, and other Eastern European and CIS countries to immigrate to the U.S. with their immediate families to do jobs not requiring special skills, such as, e.g., office or house cleaning, product packaging, construction, under the EB3 (Other Workers) employment-based immigration preference

Benefits for a foreign worker:

- opportunity to obtain “green cards” for the worker and his (her) spouse and children under the age of 21 right away without large investments
- EB-3 worker’s spouse is entitled to work for any U.S. employer
- guaranteed job and minimum income immediately after arrival in the U.S.
- flexible working hours allowing the worker to study (if possible and agreed by the employer)

If you want to know more about this opportunity, please see the following slides for details and feel free to contact us by email, WhatsApp, Skype or phone.
